

Finding Your S.H.A.P.E

The following survey is a simple way to help you identify what your S.H.A.P.E. is. SHAPE is an acronym built around five basic ideas of how God has created all of us. The five categories include- **S**piritual Gifts, **H**ear, **A**bilities, **P**ersonality, and **E**xperience. God has given all of us at least one Gift. It is his promise to us. We all have a heart for something. As you may already know, being from Hawaii, I have a huge heart and passion for surfing. I enjoy it. And I discovered that this passion I have for surfing has also enabled me to gain ability in doing it. But I also have a weird ability in Art. I am very artistic. And to know your personality will also help you identify where you can be best used by God in his vast world of service. Lastly, knowing your own spiritual journey, your own life experiences will give you insight as to how God can use you. Example, if you suffered the lost of a pet (experience) and God has given you the gift of mercy you may be just the person he is calling to show compassion to a fellow believer who is in need of love during the lost of their pet. By knowing your SHAPE, you can know how to serve God best!! So enjoy this survey as you discover your place in the family!!
