

What Are Ohana

Ohana groups are a place to:

- Reconnect to the Source of Life-seeing that God is the source of whatever we accomplish in life.
- Reconnect through real relationships-with God and with others in the group.
- Experience total grace-love, acceptance, and forgiveness
- Learn God's ways- and how to apply them in life.

Our vision is to see every person who attends Kapaa Missionary connected to a healthy small group Bible study.

Ohana Groups

At Kapaa Missionary we believe our church must grow larger and smaller at the same time. We need to have a balance between large group celebrations and small group meetings.

The large group celebrations give people the feeling of being a part of something significant. On the other hand, small group meetings are an important place to create intimacy, find support, and be encouraged in our Christian walk. It is often a place where significant spiritual growth happens.

"We grow best together." (Eph 4:15)
